

FISCAL NOTE

HB 2457 - SB 3007

January 30, 2008

SUMMARY OF BILL: Authorizes the issuance of a special license plate for members of the Tennessee State Guard. Authorizes the issuance of “emergency” plates to members of the Tennessee State Guard.

ESTIMATED FISCAL IMPACT:

Increase State Revenue - \$5,000/One-Time

Increase State Expenditures - \$5,000/One-Time

Assumptions:

- There are approximately 800 members of the Tennessee State Guard.
- According to the provisions of the bill, the special plate will be issued with the payment of the regular registration fee and a fee set in an amount to cover the one-time costs of designing and manufacturing the plate so that the issuance of the plate will be revenue neutral. (800 plates @ \$3.76 each = \$3,008 + \$2,000 computer system changes = \$5,008).
- No difference in the cost of an “emergency” license plate versus a regular license plate.
